

Pandemic Electronic Benefit Transfer (P-EBT) Frequently Asked Questions

The Georgia Division of Family and Children Services (DFCS) in partnership with the Georgia Department of Education (DOE) has been approved to operate the new Pandemic Electronic Benefit Transfer (P-EBT) program.

This program will provide extra help to families of more than 1.1M children who normally would receive free or reduced school lunch.

Families will receive a one-time allotment of \$256.50. in total P-EBT benefits per child based on the number of school closure days.

DFCS is working to operationalize the P-EBT program, so please continue to visit this page for more information and updates.

Families who are currently receiving Supplemental Nutrition Assistance Program (SNAP, formerly Food Stamps) do not need to apply for P-EBT benefits. Eligible SNAP recipients will receive a P-EBT benefit preloaded on their existing Electronic Benefit Transfer (EBT) card. The program is also available to families not currently receiving SNAP but approved for the free or reduced school lunch program. These families will need to submit a formal application to receive P-EBT benefits. Once the application is approved, an EBT card will be mailed to the family within three (3) to four (4) weeks. The family will receive information with their P-EBT card in the mail explaining how to activate and use their P-EBT card.

Below are Frequently Asked Questions (FAQs) regarding the P-EBT program:

1. What is P-EBT?

Pandemic Electronic Benefit Transfer (P-EBT) is a new program authorized by the Families First Coronavirus Response Act (FFCRA), which provides assistance to families with children who have temporarily lost access to free or reduced-price school meals due to the COVID-19 pandemic. The P-EBT program is a collaboration between the Georgia Division of Family and Children Services (DFCS) and the Georgia Department of Education (DOE) and is intended to help families provide meals for their children.

2. Who is eligible for P-EBT?

All children who would receive free or reduced-price meals, if not for their school closure due to COVID-19, are eligible to receive P-EBT. Due to school closures caused by the pandemic, these households are now eligible to receive benefits on an EBT card to help

them buy food for their children. The Georgia Division of Family and Children Services (DFCS) is utilizing data as of May 2020 from Georgia DOE to determine a child's eligibility for P-EBT and enrollment in the school lunch program.

3. Does legal status of the child affect eligibility for P-EBT? Will school aged children who are undocumented non-citizens enrolled in a free/reduced lunch school program receive the P-EBT benefits?

All children who would receive free or reduced-price meals, if not for their school closure due to COVID-19, are eligible to receive P-EBT. The Georgia Division of Family and Children Services (DFCS) is utilizing data as of May 2020 from Georgia DOE to determine a child's eligibility for P-EBT and enrollment in the school lunch program.

4. How to apply for P-EBT

The P-EBT program will be available to children that were eligible to receive free or reduced lunch as of May 2020. The program will use data from Georgia DOE to determine a child's eligibility for P-EBT and enrollment in the school lunch program.
